### No More Prosperity

It has early been demonstrated by one "person" that President-elect Wilson cannot deliver the goods commonly denominated prosperity. An old colored man in Aberdeen who takes away slops, etc., from the Mineral Well Hotel in that village, Wednesday morning, following Tuesday's Democratic landslide, went to the hotel as usual and to his amazement found the slop barrel empty.

"See dat!" he exclaimed, "de very next mornin' after the Democrats elected de President dar ain't no slop in dis barrel. Prosperity am ended for sartin'."

### TAFT RUNS SECOND IN KENTUCKY

LOUISVILLE, Ky., November 7th.—Wilson first, Taft second and Roosevelt third. That is the order of the finish in Kentucky of the three leading candidates on the Presidential ticket.

Wilson has a majority over the combined votes of both Taft and Roosevelt of about 10,000 and a plurality over Taft, the runner-up, of approximately 100,000. Taft has a lead over Roosevelt of about 10,000.

Caleb Powers, Republican, for Congress in the Eleventh District, was re-elected by 6,000, a reduced Republican plurality of over 12,000. John W. Langley, Republican, was re-elected in the Tenth over his Bull Moose opponent by a large majority. Taft's plurality over Wilson in the Eleventh, however, will not reach 5,000.

In this the Ninth District, Fields received 24,884 votes for Congress, Bailey 14,973 and Hitchens, 9,785.

### ELECTION ECHOES

Wilson also gets Illinois, defeating Roosevelt by nearly 10,000.

W. J. Bryan is to head Wilson's cabinet as Secretary of State, is the hope.

Joseph Shouse, formerly of Lexington, was elected Democratic State Senator in Kansas.

WASHINGTON, November 7th.—Control of the Senate in the Sixty-third Congress is now practically assured to the Democrats.

President Taft issued his fourth and last Presidential Thanksgiving proclamation yesterday, designating Thursday, November 28th, as a day of National Thanksgiving.

On President Taft's return to Washington Governor Hadley conferred with him. Asked if he would take second place on the Republican ticket, Governor Hadley said, "I haven't been asked."

"The special session of Congress shortly after Governor Wilson has been inaugurated is the program, and I have no reason for doubting that will be the course pursued," said Congressman Oscar Underwood.

Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. ## ROOSEVELT DISTRACTED THE NATION.

Mr. Roosevelt split a party that he might have saved. He attempted to thwart the triumph of another party that deserved success. He distracted a nation that was prepared to pass emphatic judgment upon notorious wrongs. He gave up a position in which he was generally honored to become the leader of a faction. He passed from a retirement of peace to a career of turbulence, and to no purpose. If it is any satisfaction to him to know that he has done what no other man could have done, he is welcome to the reflection.

Men who have been President of the United States are never stripped of all their powers, no matter how complete their retirement may be. He has done amazing things politically, not because he is Theodore Roosevelt, but because he is a former President of the United States, who has flouted tradition and made himself the idol and the hope of the revolutionary."—New York World, Democratic.

## WAS IT WORTH WHILE?

More in sorrow than in anger, more with a feeling of sympathy than of condemnation, we would like to ask the leaders of the Progressive party whether they are entirely satisfied with their work, which culminated yesterday in the wreck of the Republican party and the defeat of William H. Taft.

Mr. Roosevelt has entirely changed his visiting list. He has broken practically all his friendships of a lifetime; and he has failed in his ambition to have a third term as President. He has caused numerous of his newer friends to spend their private fortunes like water; and he has created a feeling of distrust of American institutions in the minds of a large number of persons. But fortuitously, that large number of persons is a very small minority of the total citizenship of the United States. The constitution still stands; the Government still lives; and it is to be hoped that the course of prosperity will continue.

Was it worth while? Out of the wreckage of the Republican party the Progressive party can not be built up. It is not founded on strong underlying principles. Those who have supported it are, for the most part, men of no deeply grounded views. But the grand old party, which honored Mr. Roosevelt, lies prostrate in the dust, and the Democracy has come into control of the Government. Was it worth while?—New York Herald.

## AMERICA GETTING WELL.

Man has been called the sick animal. An ordinary Bengal tiger or self-respecting armadillo does not overeat, or smoke or drink to excess, or stay up all night and awake next morning with a bad taste in the mouth.

Civilized man is especially likely to be sick, for the things that improve life also make us ill through their abuse.

America has a tremendous sick list. A report on national vitality shows 3,000,000 people actually sick, at all times. Our sickness costs us \$1,500,000,000 a year—about twice the revenue of the Government. This estimate does not include the incalculable loss of efficiency of people who are just tired, fagged, below par.

As a sick Nation we have done fairly. We could double, treble, quadruple our work if we wiped out sickness. It is no idle dream. It can be done. One of the greatest reforms now on in this country is to "get well."

We have obliterated yellow fever and scurvy and almost ended smallpox. In another generation any city that has a typhoid epidemic will be held up to public scorn. Today there are 500,000 people continually sick from tuberculosis, an easily preventable disease; in another generation tuberculosis should be rare. There are 3,000,000 cases of malaria every year; vigorous war on mosquitoes will make it unknown.

We have entered upon a new health era. National, State and municipal boards of hygiene, better sanitary laws, bureaus of medical inspection, institutes for medical research, improved hospitals and sanatoria and better trained doctors and nurses are rapidly improving general health.

The people, learning right living, are doing still more. We no longer believe religiously in bad-tasting drugs, but are finding that pure air, pure water, pure food and war on flies and mosquitoes and rats are half the battle, and freedom from worry and anger the other half.

We are wisely spending much thought on the conservation of our natural resources; we are just as wisely devoting thought and effort to conserving our vital resources.

By lengthening and strengthening our lives we can create a new and higher and eminently more efficient civilization to this sick old world.—Louisville Herald.

## GREAT MASS OF PROOF

REPORTS OF 30,000 CASES OF KIDNEY TROUBLE. SOME OF THEM IN MAYSVILLE

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who had used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Maysville is no exception. Here is one of the Maysville cases.

Mrs. John Wallingford, 108 Commerce street, Maysville, Ky., says: "I am glad to confirm the testimonial I gave in 1900, recommending Doan's Kidney Pills. Several of my neighbors have been cured of kidney trouble by this remedy, and a member of my family was also cured of a serious case of kidney complaint by its use, after other medicine had failed. Every once in a while I get a box of Doan's Kidney Pills at J. J. Wood & Son's Drug Store, and use them. In this way I keep my kidneys in proper working order and ward off any kidney trouble."

## Stubborn Case

"I was under the treatment of two doctors," writes Mrs. R. L. Phillips, of Indian Valley, Va., "and they pronounced my case a very stubborn one, of womanly weakness. I was not able to sit up, when I commenced to take Cardui.

I used it about one week, before I saw much change. Now, the severe pain, that had been in my side for years, has gone, and I don't suffer at all. I am feeling better than in a long time, and cannot speak too highly of Cardui."

## TAKE The CARDUI Woman's Tonic

if you are one of those ailing women who suffer from any of the troubles so common to women.

Cardui is a builder of womanly strength. Composed of purely vegetable ingredients, it acts quickly on the womanly system, building up womanly strength, toning up the womanly nerves, and regulating the womanly system. Cardui has been in successful use for more than 50 years. Thousands of ladies have written to tell of the benefit they received from it. Try it for your troubles. Begin today.

**YOU CAN HOORAW ABOUT GLORY,**  
you can talk about Our Land, you can tell the wondrous story how Our Fathers took their stand; you can talk about the body with its ragged banner furled, while the army that was shoddy fired the Shot Heard 'Round the World. But today it's different, sonny, we have glory on the run, for the man behind the money is the man behind the gun.

**MORE OUT-DOOR LIVING**

**And Death Rate Will Be Lowered**

Statistics prove that the death rate is very much greater in the winter months than in summer, and that the lack of fresh air is largely responsible for this condition.

If the system becomes run-down, blood thin and watery, circulation poor, no appetite, don't dose with drugs, but take our delicious cod liver and iron tonic Vinol, not a patent medicine, as everything in it is named on every package and if it does not give you a hearty appetite, enrich the blood and create strength, we will return your money; that shows our faith in Vinol.

A case has just come to our attention from Albany, N. Y. Mrs. H. Hartman says: "I was in a run-down condition for about five years until this spring, when I learned what a good tonic and strengthener Vinol is. It is certainly the best tonic I have ever used and it has done wonders for me."

Try a bottle of Vinol, on our guarantee.

**OLD FARM FOR SALE**  
—ON—  
The 23d Day of November,

At 2 o'clock p.m., we will offer for sale to the highest bidder the old Lloyd farm of

**256 Acres**

On the Salem Turnpike, one and a half miles Southeast of Germantown, in Mason county. This farm has been in continuous possession of the Lloyd family since 1832. It has had careful management, has always been a famous tobacco farm and is now in a high state of cultivation.

This farm can be divided to advantage and will be offered for sale in parcels and as a whole. There is a good two-story dwelling, a tenant house, all necessary outbuildings, barn room for 25,000 pounds of tobacco, a never-failing and well-distributed supply of stock water, and fencing in good condition. The place is one and a half miles from churches and schools on a good turnpike that leads to the stable door. This farm pays a good per cent. farmed on the tenant system and is desirable either as an investment or as a home.

For further information apply to Dan H. Lloyd, Germantown, Ky.

With all of the frantic efforts that were made to secure votes from people generally, the result shows that practically none but former Republicans joined the Roosevelt movement."

"The decisive victory of Taft and Hughes over Roosevelt and Strauss is a demonstration that the Republicans of New York desired the renomination of President Taft and that the delegates from this state properly expressed the preference of the Republicans when a large majority of them voted for Taft at Chicago."

**DON'T EAT 'EM RAW**

**Advice to Those Who Enjoy Eating the "Raw" Bivalve**

The oyster season is at hand. Word comes from the East that this year's crop of the bivalves is not only larger than usual, but they are fatter and generally of better quality. In recognition of the opening of the season, Health Officer J. H. Landess of Cincinnati, sounds a note of warning against eating oysters raw.

"The only safe oyster," said Dr. Landess, "is the cooked oyster—meaning oysters prepared in any way in which a sterilizing heat has been applied. The trouble with oysters is that many bays are exposed to the sewage discharge of large cities. The oysters are taken from their original beds, where they are picked, and 'planted' in water near shore to keep them fresh. While thus 'planted' they feed upon sewage which is discharged into the river. A favorite place for planting them in the East is in ocean water close to the outlet of a river. They become infected, and to eat them raw may mean the spread of this infection. One of the most classic outbreaks of typhoid fever we have ever had in this country occurred several years ago, when four college fraternities, at about the same time, held celebrations. Three of the fraternities had the oysters served raw. Immediately afterwards typhoid fever broke out among those who had attended these affairs. In the affair of the fourth fraternity, however, the oysters were served cooked, and it was found that not one of those who had attended this affair was among those who had been stricken."

# WAR DECLARED!

## ON THE ENTIRE \$35,000 STOCK

### GALANTY & ALPER

#### THE SURPRISE STORE!

## 128 Market St., MAYSVILLE, KY.

### COMMENCING

## SATURDAY, NOV. 9th, at 9:00 O'clock, a. m.

### 15 DAYS ONLY

#### A PERSONAL NOTE FROM GALANTY & ALPER

To the Public:—In announcing to the public of Maysville and vicinity our GIGANTIC SALE, it is our desire to impress upon the minds of all that we will sacrifice our entire stock, in many cases BELOW COST. As it is imperative for us to meet the urgent demands of our creditors, and to reduce our stock, our decision was reached after our full line of FALL GOODS were in, so that the public will have the advantage of brand NEW and seasonable MERCHANDISE.

During our fourteen years of existence in Maysville we have made many pleasant associates and we value their friendship too high to state anything but absolute truth, without any exaggeration, over our signature. We want to make this sale, which starts SATURDAY, NOVEMBER 9th, the most wonderful event in value giving ever inaugurated in this section. Also, don't forget that our personal guarantee goes with every price and statement made in this document.

(Signed) GALANTY & ALPER  
Proprietors of The Surprise Store

The Home Bargains have been turned over to the Mercantile Special Sales Company, 609 Mercantile Library Building, of Cincinnati, Ohio. This alone indicates a GIGANTIC SALE!

WONDERS NEVER CEASE in this busy, hustling world. Surprises come fast and furious. One is hardly over when a greater and more wonderful one presents itself. Once again the unexpected happens. Just when things look best they are oftentimes approaching a crisis. Like a bolt from the blue sky comes the startling announcement that WAR HAS BEEN DECLARED UPON THE PRICES of the entire stock of GALANTY & ALPER, right now at the very beginning of the season and when everybody complains of the high cost of living. The whole stock of CLOTHING, SHOES, GENTS' FURNISHINGS, HATS, CAPS, etc., is to be sold at slashed prices. Remember, this is a genuine bona fide sale, where each and every article will be sold just as advertised. FOR FIFTEEN DAYS the thunder of our batteries of LOW PRICES will shake MAYSVILLE from center to circumference for all former prices all this season's most desirable goods will be sacrificed on the altar of necessity. Bear in mind THIS SALE LASTS FOR FIFTEEN DAYS and only fifteen days. Do not regret when too late and this opportunity is gone. This is no ordinary occasion, but an extraordinary event; one that may never occur again. It is seldom that we are forced through disastrous weather conditions and a backward season to resort to these methods. But necessity knows no mercy. We must cut our ENTIRE \$35,000 STOCK in two, and in order to do so we have begun A WAR ON MERCHANDISE, such as has never been attempted in this section of the country. This sale is backed by our fourteen years of honorable merchandising in Maysville and vicinity, and during this length of time our reputation for honesty and fair dealing has been second to none. Remember, THIS IS NO FAKE MONEY RAISING SALE like that of traveling salesmen, who visit cities for a short length of time and then depart, leaving many dissatisfied purchasers behind, with no course for them to pursue. \$1.00 here will do the work of \$5.00 elsewhere. Below is a partial list of the many thousand items offered during this SLAUGHTER ON MERCHANDISE. We intend that this GREAT BARGAIN EVENT will make us the Past Grand Masters of the Merchandise Business for ever hereafter.

#### War! War to High Prices!
